AN ASTONISHING AND UNIQUE ENVIRONMENT THAT YOU WON'T DISCOVER ANYWHERE ELSE !

The chimes of Big Ben welcome you to the heart of London. Take the Thalys from Paris to the furthest end of France. At the airport, planes are ready to take off. Let Mount Vesuvius explode and feel the earthquake. Break down the Berlin Wall. A little Finnish girl will dive into the icy waters of the Olavinlinna Lake as often as you want. Cry "olé! olé!" to encourage the toreador in the arena.

With guidebook in hand... The curious will enjoy our catalogue brimming with anecdotes. This catalogue is included in the price for adults (guided tour possible).

NUMEROUS ANIMATIONS AND NEW MONUMENTS CREATE A LIVELY ATMOSPHERE!

THE MOST BEAUTIFUL MINIATURE PARK IN EUROPE

EUROPE FOR EVERYONE!

Entertaining and educational!

Get to know the European Union better! Situated at the end of the visit of the Mini-Europe park, Spirit of Europe is a great interactive entertaining course about the EU. As attractive as amusing: thanks to the games, you'll make lots of discoveries. Discover the European Union, its members, its history, its successes, the enlargement, ...

A really fascinating presentation for everyone!

All 350 monuments are reconstructed down to the finest details. The cathedral of Santiago de Compostela is the result of 24,000 hours of work. In the Seville arena, 6,000 figurines have taken their seats, one by one, to watch the bullfight. Each building is set in realistic surroundings (cars, streetlights, figurines and bonsai trees). Big Ben stands 4 metres high. The Eiffel Tower measures 13 metres and is taller than a 3-storey building! Yet all the buildings have been built to a scale of 1/25. Your tour of the park will generally take an hour and a half to two hours, not counting the time you will spend at the "Spirit of Europe" exhibition (see p.5).

NEW ! Discover our new interactive games !

- At the occasion of the Belgian EU presidency in 2010 the exposition «Spirit of Europe» will enrich itself with several new applications and interactive games. Furthermore there will be a new mini exposition about the role and influence of Belgium.
- Send your virtual «Mini-Europe» postcard.

Mini-Europe "By Night"

Musical fireworks show Saturdays 17, 24, 31/07 and 07, 14/08 at 10.30 p.m. You can also enjoy this nocturnal ambience at sundown, from October to the beginning of January and when the park is exclusively rented for the evening.

... ESPECIALLY FOR SCHOOLS!
